

Goolstar Diamond

\$65

Jocko Besne x Willis x Sunny Boy

Diamond is a superstar, leading Dutch sires on the NVI list with an NVI of 240 in January 2009. He'll do great things for your New Zealand herd, transmitting excellent udders and good feet and legs that, along with great fertility and low SCC, will produce daughters that you'll be admiring for production AND type for years to come. His New Zealand proofs are already coming through and farmers like what they see.

Alex Arkink

When you want top-flight cows that look great and have the capacity to return maximum profits under a high-output farming system, choose HG!

We have carefully selected outstanding sires from our sister company in the Netherlands that will do great things in your New Zealand herd. Already, HG sires have made a real impact in the New Zealand dairy industry, with names such as Etazon Knockout, Delta NLD Gerris, Batenburg Ginstra Aldo and Boudewijn featuring in the pedigrees of some of our most successful cow families.

If you're a serious Holstein-Friesian breeder or a high-output champion, take a look at what HG can do for you:

- Reliability: sires tested worldwide
- Long-lasting and profitable cows
- High milk yields with high components
- Quality udders with strength and health key factors in selection
- The capacity to eat as much as you can feed them and turn it all into milk solids
- Great feet and legs
- Fertility

HG attaches great value to breeding bulls with excellent transmitting abilities that have highly reliable first crop proofs that get stronger over time. Even better, New Zealand proofs are now beginning to come through for some of our HG sires and are listed along with their Dutch information.

CRV AmBreed bring the best in the world to you, because your **can** have it all
