Goolstar **DIAMOND** \$65 105635

Jocko Besne x Willis x Sunny Boy

Diamond Dtr - Annie 58 VG85

Diamond is a superstar, leading Dutch sires on the NVI list in January and maintaining an NVI of 234 in April. He'll do great things for your New Zealand herd, transmitting **excellent udders** and good **feet and legs** that, along with **great fertility** and **low SCC**, will produce daughters that you'll be admiring for **production AND type** for years to come. His New Zealand proofs are already coming through and farmers like what they see.

Dudam **SURPRISE** \$48 109571

Dustin x Luxemburg x Sunny Boy

Surprise Dtr - Doortje 20

Surprise will give you the **capacious and easily managed** cows you're looking for with the **type and strength** to last the distance. **Great feet and legs** contribute to his **exceptional scores for health traits** and he's a specialist in all the functional traits related to **longevity**
